The figure is a Gantt chart illustrating a project schedule. The timeline spans from November 16, 2016, to January 22, 2017. The chart is divided into weekly segments, each labeled with the start date and the days of the week (T, W, T, F, S). A thick black bar represents the main project duration, starting at the beginning and ending on January 15, 2017. A red bar represents a specific task, starting on January 15, 2017, and ending on January 22, 2017. Arrows indicate the flow from the main project bar to the task bar.

Start Date	End Date	Task / Project
